Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice **(SOA)**.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to all other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (PDS), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that policy.

From when does this FSG apply?

This FSG applies from 29th August 2017 and remains valid unless a new FSG is issued to replace it.

**Who is responsible for the financial services provided?**

Philp Newby & Owen Pty Ltd (PNO) is responsible for the financial services that will be provided to you, or through you to your family members, including the distribution of this FSG. PNO holds a current Australian Financial Services Licensee no: 237822. The contact details for PNO are on the front of this FSG. PNO subscribe to the Insurance Brokers Code of Conduct. Details of the code are available at <https://www.niba.com.au/codeofpractice/index.cfm>

How will PNO communicate with you?

Where possible we prefer to provide all correspondence and disclosure notices (including Financial Services Guides and Product Disclosure Statements) to you electronically, via email or links to websites etc. If you have provided your email address to us we will typically use that email address for all correspondence and disclosure notices. Should you not wish to be sent disclosure documents electronically please advise us and we will update our records accordingly.

You can contact us to give us instructions by post, phone, fax or email on the contact number or details mentioned on page 1 of this FSG.

What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to?

PNO is authorised to advise and deal in general insurance products to retail and wholesale clients. We will do this for you as your broker unless we tell you otherwise.

Will I receive tailored advice?

Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances, or upon renewal of your insurances.

What information do you maintain in my file and can I examine my file?

We maintain a record of your personal profile, including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on our websites, www.pno.com.au and www.pnoallfreight.com.au.

If you wish to look at your file please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn and retain any interest on the premium while it is in our trust account.

Refunds

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula: X = our commission, Y% = the percentage commission paid to us by the insurer. Our commission varies between 0 and 30%. P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be advised to you at the time of providing the service.

If we arrange premium funding for you we may be paid a commission by the premium funder. Our commission rates for premium funding are in the range of 0% to 4% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.

We may pay commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 30 % of our commission or fees. Our employees that will assist you with your insurance needs will be paid a market salary and may be paid a bonus based on their, and the company's performance. If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

PNO is a member of Steadfast Group Limited (**Steadfast**). Steadfast is not a shareholder of PNO. Steadfast has exclusive arrangements with some insurers and premium funders (**Partners**) under which Steadfast will receive between 0.5 – 1.5% commissions for each product arranged by us with those Partners. Steadfast is also a shareholder of some Partners. We may receive a proportion of that commission from Steadfast at the end of each financial year (or other agreed period).

As a Steadfast Network Broker we have access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparison and placement support, claims support and group purchasing arrangements. These member services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

We participate in programs provided by Allianz, Zurich, QBE and NTI under which we may obtain additional benefits by way of business support services (training and business improvements services), profit share and reward for growth. The amount (if any) of any profit share is determined by the amount of the premium earned when compared with the claims experienced in certain classes of policies with Allianz, Zurich, QBE and NTI. Due to the uncertain nature of insurance, it is not possible to know the amount of any profit share, if any, to which we may be entitled until 3 months after the end of the qualifying period.

PNOinsurance has a material relationship with PNOlife. PNOlife is a trading name of AB Insurances Pty Ltd (ABN 72 236 499 266) and Corporate Authorised Representative of Fourthree Pty Ltd (AFSL 472131).
